COMPANY OVERVIEW

BlackCheetah LLC is a SAM.gov-registered freight transportation and dispatch management company that works exclusively with FMCSA-compliant carriers, headquartered in Albany, New York. Our VISION is clear: to be the most trusted government freight partner in the nation. We pride ourselves on the knowledge that compliance, accountability, and speed are not just words — they are the foundation of every load we move.

Founded in 2024, BlackCheetah serves federal agencies, state departments, county governments, and military installations across all 48 continental states. We go the extra mile to ensure every shipment is executed with precision, full documentation compliance, and Exceptional Service.

CORE COMPETENCIES

- Dry Van Transportation (53ft, FTL & LTL)
